

KRAUSZ introduces:

# HYMAX<sup>®</sup> 2 with FLIP GASKET

Innovative wide-range coupling with no-tear gasket for maximum efficiency

- Just flip the gasket to accommodate larger OD pipes
- 2 top-facing bolts - faster and safer installation
- Making the installer's work more efficient and saving time and money
- Dynamic pipe deflection - minimizes risk of future pipe damage
- Based on the original game-changing HYMAX Coupling

Available in sizes 2"-12"
